

The Champagne BAR coast

At the heart of this appellation, your Gîte Les GRADINES recommends this Champagne to put this wine in the spotlight on your table which will make your parties and major events sparkle. Since 1945, the family business has been proud to present its vintages, its awards acquired at professional fairs, and invites you to come to VOIGNY (3 km from Bar/Aube) to visit its cellars by reservation. Since 2021 the 30ha estate has been HVE (high environmental value) level 3 certified.
